Re: Business Policy UIB-054-00276-2

Dear: STEVEN TERRY

Enclosed is your business insurance policy renewal. This policy extends coverage for the coming 12 months. The issuing Insurance company has changed from Topa Insurance to Benchmark Insurance Company. Benchmark has an '(A) Excellent' financial rating from the premier Insurance rating agency, the A.M. Best Company. Your trusted agent will remain your first point of contact, and will continue to service your policy. United will continue as the local underwriting and claims office.

The insurance industry standard for rating liability insurance for contractors is based on the employee payroll. United is somewhat unique in that we cap the payroll used to determine the insurance premium. The payroll cap used is \$30,000. This means that if an employee's actual annual payroll is \$50,000, United would only charge based on \$30,000 for that employee. This is a significant cost saving compared to many policies with other insurance companies.

A digital copy of the renewal was sent to the email address on file. If you did not receive the digital copy please contact your agent to verify the email address on file. Your insuring agreement and policy forms can be downloaded through our website at www.UUInsurance.com or by contacting your agent.

Please review the policy and contact your agent within the next 30 days to make any changes or corrections. Our goal is to protect your business and let you focus on operating it. Please let us know how we can improve in our efforts to serve you.

Thank you for continuing this valuable coverage, we appreciate your business and hope to be your insurance partner for years to come. The payment plan selected in the prior term will continue unless you request a change from your agent, you will be billed separately.

Sincerely,

United Insurance Group
