971-777-1485

Clinton, NJ, 08809, USA

Experienced in cash handling, customer service, ability to multitask, and team leadership. Fluent in English and Spanish, now seeking to leverage these skills in a financial services role at Citizens Bank, contributing to exceptional customer experiences and operational excellence.

Work Experience

Web Developer

Apr 2023 - Mar 2024

Servo, LLC | Jersey City

- Led the development and integration of secure payment processing systems using Stripe, managing customer onboarding, fund transfers, and vendor payouts, ensuring PCI compliance and adherence to industry standards.

Table Games Assistant Shift Manager

Mar 2022 - Apr 2023

Virgin River Casino | Mesquite

- Managed and secured large volumes of cash transactions daily, ensuring precise balancing of chip racks and adherence to strict cash handling protocols, contributing to the overall financial integrity of the casino.
- Enforced compliance with all casino regulations and internal procedures, including gaming operations, cash handling, and security measures, ensuring a safe and legally compliant environment for both customers and staff.
- Managed a team of dealers, providing guidance and support to maintain high levels of accuracy, integrity, and customer service.
- Enhanced customer experience through effective communication, personalized service, and prompt resolution of inquiries and disputes, maintaining a positive and friendly environment that ensured customer satisfaction.

Operations Lead

Apr 2019 - Nov 2021

Ease Window Cleaning | Saint George

- Co-founded and managed day to day operations of a successful window cleaning business, ensuring high service standards and customer satisfaction.
- Enhanced customer experience through prompt issue resolution and transaction processing.
- Developed and implemented operational strategies that increased customer retention by 25% through consistent service excellence and personalized client interactions.
